Contract Time. The City of Springfield, MO (Owner) has established a contract performance time of **one hundred forty-four (144)** calendar days from the date of the Notice-to-Proceed. All project work shall be substantially completed within the stated timeframe. This project is subject to liquidated damages as prescribed in the project manual.

Bid Guarantee. Each bidder must furnish a bid guarantee equivalent to **5% of the total bid amount**. This may be in the form of a bid bond or a certified check payable to the **The City of Springfield, Missouri**. A bid guarantee provides assurance to the sponsor that the prospective bidder will honor its submitted bid and will execute a contract if selected as the successful bidder. The bid guarantee amount must include the total bid amount.

Bonding Requirements. The successful bidder must furnish a separate performance and payment bonds each in an amount equal to 100% of the contract price at the time of contract execution.

Award of Contract. All proposals submitted in accordance with the instructions presented herein will be subject to evaluation. Bids may be held by the **City of Springfield, Missouri** for a period not to exceed **one hundred twenty (120) calendar days** from the date of the bid opening for the purpose of conducting the bid evaluation.

Award of contract will be made to the lowest aggregate sum proposal submitted from those bidders that are confirmed as being responsive and responsible and whose bid conforms with all the terms and conditions of the Invitation for Bids & Instructions to Bidders. The **City of Springfield, Missouri** reserves the right to select any one bid which in the judgment of the Owner, best serves the Owner's interest, to reject any or all bids and to re-advertise this solicitation at a later date. The City may waive any irregularities in the bid and make awards that are in the best interest of the City. .

The **City of Springfield, Missouri** has applied for federal assistance to fully fund this project. Award of a contract to a bidder is contingent upon the FAA concurring in the award to the successful bidder and providing a federal grant to the City of Springfield under the Airport Improvement Program (AIP).

Additional Contract Provisions:

Modification to the project documents may only be made by written addendum by the Owner or Owner's authorized Representative.

The proposal must be made on the forms provided within the bound project manual. No bid will be considered unless the bidder is on the official plan holder list held by the Engineer. Bidders must supply all required information prior to the time of bid opening.

Federal Provisions:

This project is subject to the following Federal provisions, statutes and regulations, some of which are listed below in the Notice to Bidders. All federal provisions are presented in greater detail in Part II, General Construction Items, Part A, Federal Provisions:

A. Disadvantaged Business Enterprise – 49 CFR Part 26: The requirements of 49 CFR Part 26 including any amendments thereto apply to this contract. It is the policy of the City of Springfield, Missouri to practice nondiscrimination based on race, color, sex, or national origin in the award or performance of this contract. The City encourages participation by all firms qualifying under this solicitation regardless of business size or ownership.

B. Title VI Solicitation Notice: The City of Springfield, Missouri , in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4), 28 CFR § 50.3, and 49 CFR Part 21, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, all contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of the owner's race, color, national origin, sex, creed, age, or disability in consideration for an award

C. Other Federal Provisions that Apply:
